The Office of COMR is determining whether you seek copies of disclosable public records in the Department's possession. This will require personnel to search for and collect the requested records from facilities that are separate from the office processing the request. Additionally, COMR personnel must consult with another component of the Department, which has a substantial subject matter interest therein. Accordingly, COMR is extending its 10-day response timeframe by an additional 14 days, as authorized by Government Code section 6253, Subdivisions (c)(1) and (c)(3).

If you have any questions or if you need additional information, please contact this office at (916) 843-3310.
